

Logistical aspects - registration, travel and hotel guide

Registration

Registration for the event should be made by all participants and speakers for us to know your plans and travel information. Registration should be made as soon as possible via task33.ieabioenergy.com - there is a link for the event at the front page.

Venue and accommodation

The meetings and the workshop will be held at Hotel Strandtangen in Skive, see www.strandtangen.dk. A block booking for Hotel Strandtangen has been made. In case of high interest, a backup has been made at the nearby city hotel. All bookings are handled by Hotel Strandtangen. The block booking room price is at a reduced rate of around € 115 (DKK 850) per night including breakfast and VAT. The block booking expires in 1 October 2017. For hotel bookings please contact the hotel yourself at:

Hotel Strandtangen
Strandvejen 28
DK-7800 Skive
Telephone: +45 96 760 800
E-mail: reception@strandtangen.com

Travel to Skive

Skive is served by the local airport at Karup (KRP) - also called Midtjyllands Lufthavn (www.midtjyllandslufthavn.dk). Flights from Copenhagen Airport are operated by Danish Air Transport (www.dat.dk) and take around 50 minutes. Flights can be booked along with international flights.

Local transport from Karup airport to Skive takes around half an hour by taxi. On weekdays Skive Taxa operates an airport taxi service that picks up more passengers at a fare of around € 40 per person. Skive Taxa can be booked by telephone +45 9752 4700.

From Copenhagen there is an hourly train service to Skive operated by Danish Railroads (www.dsb.dk/en). The travel takes around 5 hours and takes you across two nice bridges (Great Belt and Little Belt).

Driving by car is also a possibility. It will take around 4 hours from Copenhagen Airport.
